Consulting and Research

As a public policy consulting and research center, **we serve as the trusted partner** for state, regional, and local leaders to evaluate and enhance decision-making capabilities, organization systems, and service delivery to positively impact their communities. Our work includes a wide range of services, including strategic planning, group facilitation, surveys, organizational assessments, and more.

GROUP FACILITATION

CPP excels in facilitating dynamic and productive group sessions that drive results. Our skilled facilitators guide discussions, foster collaboration, and inspire innovative thinking to achieve your desired outcomes. Whether it's strategic planning sessions, team-building workshops, or problem-solving forums, we ensure that every participant's voice is heard and valued.

OUR RESULTS

Convergence of different ideas

Shared goals and mutual understanding

Increased trust and effective communication

Recommendations built from group input
