Consulting and Research

As a public policy consulting and research center, we serve as the trusted partner for state, regional, and local leaders to evaluate and enhance decision-making capabilities, organization systems, and service delivery to positively impact their communities. Our work includes a wide range of services, including strategic planning, group facilitation, surveys, organizational assessments, and more.

WORKFORCE DEVELOPMENT

We pride ourselves on understanding the complexities of maintaining a modern workforce that can serve Virginia's established and emerging organizations. We offer a wide range of services to support workforce development throughout the state and bring a strategic, collaborative viewpoint to our clients working in this space.

Program Evaluation

Conduct assessments of workforce programs at the state and regional level and present findings to agency leaders, cabinet secretaries, and legislative members.

Custom Consulting

Develop custom training and workshops for workforce agencies and partners.

Facilitation

Lead solution-oriented workgroups and meetings with a proven methodology and knowledgeable facilitators who have a background in workforce development.

Custom Surveys

Design, administer, and analyze surveys of workforce program outcomes to provide actionable recommendations.

Federal and Regional Workforce Planning

Drive the development and updates to federal and state mandated reports.

Annual Reports

Draft state and regional workforce annual reports based on information collected from relevant sources.
